

Dear Business and Community Leader,

Allatoona High School Buccaneer Wrestling is asking for your help in building our program through sponsorship opportunities. We are offering support signs that will be displayed in our gyms throughout the year. The advantage for your business will be to advertise your support of Buccaneer Wrestling to all sports using our facilities throughout the year. These signs will be prominently placed throughout the gym with your business name and contact information. Our wrestlers benefit through the support of our community and give us the ability to cover the cost involved in operating a successful wrestling program. Not only do our high school students benefit, but our junior program made up of elementary and middle school athletes, benefit as well.

Allatoona High School and the Cobb County School System are able to support us in a very limited manner. All funds used for facility upgrades, equipment and uniforms are raised solely by the parents, athletes and members of the business community of our surrounding area.

In order to build our program to the level we expect, we need your assistance. Our Booster Club has put together a sign program to benefit both our school and your business as a team. In trade for your support, your sign will hang all year in our gym to be seen by parents at basketball games, volleyball games, cheer events and wrestling events. Buccaneer wrestling will host two large tournaments in 2017-2018 with teams coming from all over Georgia to compete. We will also encourage parents and friends to support your business the way you have supported our team.

The standard sign specifics are as follows:

- Sign: 18X36 - which is displayed in our gym.
- Color: Red with Black lettering or Black with Red lettering.
- Cost: \$250 for a 1 year sponsorship sign in the main gym during the 2017– 2018 season. Renewal for the next year will be reduced to a discounted price of \$200 as a preferred sponsor (as long as no changes in the sign are required).

Please go to the Allatoona Wrestling Website and complete this form if you need to send out electronically.

# SIGN CONTRACT AND ORIGINAL INVOICE
