

On behalf of the entire coaching staff, players and parents, thank you for your interest in supporting our Lacrosse program at Allatoona High School. The Mission of the Allatoona Lacrosse program is to promote the game of lacrosse providing a safe and fun opportunity for the players, and emphasizing the importance of good sportsmanship, fitness and teamwork. Allatoona Lacrosse believes that athletic competition plays a vital role in the development of our children and young adults. Concepts of fair play, sportsmanship, commitment, discipline, responsibility, respect, integrity and time management are all promoted and expected. By promoting these principles through a high level of lacrosse competition, Allatoona Lacrosse endeavors to inspire our players to become the best that they can be, both on the field and as members of our community, while providing each player with important tools for success in their future.

Lacrosse remains one of the fastest growing high school and college sports as reported in a recent article from *USA Today*. COVID-19 put a damper on this trend locally, but we hope to return to the tremendous pre-COVID participation when we were touching the lives of over 250 student athletes. Our program is proud to have grown in all levels of play with our Men and Women's High School Varsity and Junior Varsity players, and with our Boys and Girls' 8U to 14U Jr. Bucs teams.

As you can imagine with any program, the biggest need is raising the funds necessary to achieve the vision of the program. Based on the generous donations made in the past (and hopefully to come), we are partnering with Allatoona High School to invest in the future of our players. Ongoing field maintenance and improvements, and youth and high school scholarships are our immediate financial demands. We are seeking financial help from companies and individuals in the surrounding communities to achieve this need. Your donations are tax-deductible as we are a 501(c)3 organization, and our tax ID number is 80-0186250. (Please check with your accountant as applicable with any tax laws.)

Please consider the corporate, corporate matching and family sponsorship levels.
